

# THE FOUNTAIN OF TEARS

## RICK WIENECKE SCULPTURE

### DIRECTIONS TO THE FOUNTAIN [please print out for future reference]

At the Arad Junction roundabout on Highway 31, turn towards the Inbar Hotel and town centre. At the next immediate roundabout (opposite the Inbar Hotel) turn right onto Yehuda. At the next roundabout (and the next two mini-roundabouts) go straight on. Follow the road around and turn right onto Moav at the next roundabout. Continue along Moav and turn left onto Tsur St. This road is signposted to Masada. At the bottom of the hill, turn left onto Mishmar St. and immediately left into the open lot. The Fountain of Tears is entered from this parking area only.

The parking area for the Fountain of Tears is reached by turning left into Mishmar St from Tsur St.

### IMPORTANT INFORMATION

The Fountain of Tears is on private property and, although there are facilities, it is very important that the party visits appropriate rest rooms before arrival. There are good facilities next to the Muza Restaurant and Gas Station adjacent to the Arad Junction. People should bring their own supply of water in summer and warm clothes in the winter months. A visit to the Fountain generally lasts approximately 60 minutes.

**PLEASE ARRIVE ON TIME**

We look forward to seeing you.
